

### **REMARKS/ARGUMENTS**

#### **The Claims**

Claims 10-20 and 22 are in the application.

Claims 14 and 15 were identified as allowable and previously rewritten into independent form for allowance.

Claims 16, 18 and 19 are amended to depend from allowed claim 14.

Claims 10-13, 20, and 22 are canceled.

#### **Examiner Interview**

The applicants wish to thank you Examiner for the Interview of June 13, 2011. During the interview the Examiner agreed claims 16, 18 and 19 may have their dependency amended "after Final" to depend from allowable claim 14.

#### **Allowable Subject Matter**

The Office Action at page 6 states that claims 14 and 15 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In the previously filed reply to the Final Office Action the applicants followed the Examiner's instructions exactly. Claim 14 stand rewritten into independent form including all of the limitations of base claim 10. Claim 15 already depends from allowable claim 14. Claims 14 and 15 currently stand in condition for allowance and issue.

In this reply, dependent claims 16, 18 and 19 are amended to depend from allowable/allowed claim 14. Claim 17 depends from claim 16. Therefore claims 16-19 are also believed to be in condition for allowance.

In view of the above, the applicants respectfully request the allowance and issuance of claims 14-19, which action is respectfully requested.

Respectfully submitted,

**KARL-ERNST HUMMEL**
